

PREVENTING ILLEGAL WORKING

1 DAY TRAINING WORKSHOP

Provides practical knowledge and resources to prevent illegal working and properly establish the statutory excuse.

This one day workshop provides the practical knowledge and resources to properly establish the statutory excuse and to help you to prevent illegal working within your organisation.

All employers have a duty to check that their employees are legally entitled to work in the UK. Since the Immigration, Asylum and Nationality Act 2006 came into force, knowingly employing an illegal worker has been a criminal offence. Employers now face civil penalties of up to £20,000 per illegal worker for whom the statutory excuse has not been established.

This workshop is recommended for Recruitment and HR professionals responsible for ensuring in-house immigration compliance during recruitment.

EXPERT SPEAKER:
